MINUTES OF 1958 TOWN MEETING

At a legal meeting above notified and held at the school building in Greenland, N. H. on Tuesday, March 11, 1958 at 8 o'clock in the evening, the meeting was opened by a salute to the flag, led by John M. Sargent, Jr., followed by the Invocation by Rev. Sion M. Lynam. After the reading of the warrant by Moderator Ralph D. Fisher, the legal voters present acted on the articles in the warrant as follows:

Article I and II. By non-partisan ballot cast from 10:00 a. m. to 6:00 p. m., the following officers were elected and sworn in by the Moderator, as soon as announced by the Town Clerk:

Town Clerk, Esther M. Beals; Selectman, Waldo K Butterfield; Treasurer, Constance Syphers, absent; Tax Collector, Andrew R. Schools; Fire Chief, William B. Brackett; Highway Agent, W. Richard Weeks; Auditors, Herman W. Parker, Frank E. Wirling; Library Trustee, Carrie W. Beck; Trustee of Trust Funds, Horace W. Cannon Also sworn in were the appointed officers: Chief of Police, John M. Sargent; Deputy Police, Raymond J. Maher, Frederick Bourassa, John A. Chick; Health Officer, Harold A. Syphers; Building Inspector, Roy K. Fernald; Planning Board, Allen B. Lewis.

NOTE — Sworn in by Town Clerk, March 12th in her office: Constance Syphers, Treasurer; Elroy D. Witham, Board of Adjustment.

Article III. Moved by John R. Brackett, seconded by Stillman R. Grose to pass over to Article 16. Passed.

Article XVI. Moved by John R. Brackett, seconded by Andrew R. Schools that the annual salaries of Sel-

ectmen be increased to - Chairman \$500., other members \$350. Passed.

Article III. Moved by G. Newton Weeks, seconded by John R. Brackett, that the sum of money for town charges be increased to \$17,059.09, and that such sum be appropriated. Passed.

Article IV. Moved by Frank G. Rolston, seconded by John R. Brackett that the town raise and appropriate for the building, repair and maintenance of highways and bridges \$5,500 for summer work and \$3,000 for winter work. Passed.

Article V. Moved by W. Richard Weeks, seconded by Arthur J. Sewall, that the town vote to raise and appropriate for construction and maintenance of Class V roads, the sum of \$81.72, against the State's sum of \$544.83. Passed.

Article VI. Moved by John R. Brackett, seconded by Arthur J. Sewall, that the town vote to raise and appropriate the sum of \$450 for the extermination of moths and elm tree beetles. Passed.

Article VII. Moved by Thornton W. Weeks, seconded by Arthur J. Sewall, that the town vote to raise and appropriate the sum of \$700 for the support of the Weeks Public Library. Passed.

Article VIII. Moved by Everett W. Bennett, seconded by Russell A. Rolston, that the town vote to raise and appropriate the sum of \$1,000 for the care of the cemeteries. Passed.

Article IX. Moved by Arthur J. Sewall, seconded by Russell A. Rolston, that this Article be indefinitely postponed. Motion lost. After further discussion it was moved by Arthur J. Sewall, seconded by John R. Brackett, that the Trustees of Trust Funds be given

power to put a gate at the entrance to the cemetery, said gate to be locked at the discretion of the Selectmen and said Trustees. Passed.

Article X. Moved by Frank G. Rolston, seconded by Violet Chisholm, that the town vote to raise and appropriate the sum of \$150 for the care of Parks. Passed.

Article XI. Moved by Herman W. Parker, seconded by Franklin Durgin, that the town vote to raise and appropriate the sum of \$50 for the observance of Memorial Day. Passed.

Article XII. Moved by John R. Brackett, seconded by Robert G. Crothers, that the town vote to authorize the Selectmen to borrow money on short term notes, in anticipation of taxes. Passed.

Article XIII. Moved by Herman W. Parker, seconded by Robert Boisvert, that the town vote to raise and appropriate the sum of \$625 for Civilian Defense purposes, this money to be expended at the discretion of the Civil Defense Director and the Selectmen. Following Mr. Parker's explanation of the manner in which the money would be spent, \$275 for radio, \$275 for giving information, and \$75 for general expenses, the motion was passed.

Article XIV. Moved by William B. Brackett, seconded by Andrew D. Brackett, that the town vote to raise and appropriate the sum of \$240, for the purpose of providing and installing a 2-way radio in the Tank Truck of the Fire Department, said sum to defray half the expense of providing and installing said equipment. Passed.

Article XV. Moved by Frank G. Rolston, seconded by John R. Brackett, that the town vote to raise and appropriate an amount not exceeding 1/100 of 1% of assessed valuation, for the Seacoast Regional Develop-

ment Association, for publicity and promotional purposes in cooperation with other towns of the region, as authorized by State Statute. The amount requested was \$97.50, and on a standing count this motion passed by 8 votes. Frank J. Lane was applauded after he explained the work of the Association in helping to get the Winnicut River dam built.

Article XVII. Moved by Frank J. Lane, seconded by Stillman R. Grose, that the town vote to amend the Building Regulations by adopting the revised code of Building Regulations as recommended by the Planning Board. Passed.

Article XVIII. Moved by Frank J. Lane, seconded by Stillman R. Grose, that the Town vote to amend the Zoning Ordinance by adopting the revised code of Building Regulations as recommended by the Planning Board. Passed.

Article XIX. Moved by Frank J. Lane, seconded by John R. Brackett, that the town vote to amend the Subdivision Regulations by adopting the revised code of Subdivision Regulations, as recommended by the Planning Board, and direct the Town Clerk to file a notice thereof with the Registry of Deeds for Rockingham County. Passed.

(NOTE — On March 13 the Town Clerk filed said notice with the Registry of Deeds for Rockingham County)

Article XX. Upon the suggestion of John R. Brackett, a round of applause for his conducting of the meeting, was given to the Moderator, Ralph I. Fisher.

Upon the motion of Frank G. Rolston, the meeting was adjourned.

ESTHER M. BEALS,
Town Clerk

TOWN WARRANT
GREENLAND, NEW HAMPSHIRE

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Greenland in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Greenland Central School in said Greenland on Tuesday, the tenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the provisions of Chapter 287 Section 7 of the Revised Statutes Annotated relative to playing games of Beano be adopted in this town. Ballot vote requested by William B. Brackett and eleven others.

(The polls will be open from 10:00 a.m. to 6:00 p.m. to act on Articles 1 and 2. Discussion and action on the other articles in the warrant will take place at 8:00 p.m.)

3. To hear the report of the Town Clerk on the result of your ballot in the election of Town Officers and the playing of Beano in this town.

4. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. The estimated amount for town charges is \$18,153.73.

5. To see what sum of money the town will vote to raise and appropriate for the building, repair, and maintenance of highways and bridges. The estimated amount is \$5,500 for summer work and \$3,000 for winter.

6. To see if the town will vote to raise and appropriate the sum of \$98.71 against the State's \$658.05 for construction and maintenance of Class V roads.

7. To see if the town will vote to raise and appropriate the sum of \$450 for the extermination of moths and elm tree beetles.

8. To see if the town will vote to raise and appropriate the sum of \$700 for the support of the Weeks Public Library.

9. To see if the town will vote to raise and appropriate the sum of \$1,000 for the care of the cemeteries.

10. To see if the town will vote to raise and appropriate the sum of \$150 for the care of parks.

11. To see if the town will vote to raise and appropriate the sum of \$75 for the observance of Memorial Day.

12. To see if the town will vote to authorize the Selectmen to borrow money on short term notes in anticipation of taxes.

13. To see if the town will vote to adopt the Civil Defense Plan as presented in the town report.

14. To see if the town will vote to raise and appropriate the sum of \$75. for Civilian Defense purposes. This money to be used at the discretion of the Civil Defense Director and the Selectmen.

15. To see if the town will vote to raise and appropriate the sum of \$600 as our share of the cost of re-establishing town bounds between Greenland and Stratham.

16. To see if the town will vote to raise and appropriate the sum of \$500 for use by the Fire Department for repairs on equipment.

17. To see if the town will vote to raise and appropriate an amount not exceeding 1/100 of 1% of assessed valuation to the Seacoast Regional Development Association for publicity and promotion as authorized by State Statute. The amount requested is \$100.

18. To listen to an announcement concerning a public hearing on changes in the Planning and Zoning Ordinances as requested by petitions of Stillman R. Grose and others.

19. To transact any other business that legally may come before this meeting.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and fifty-nine.

G. NEWTON WEEKS,
FRANK G. ROLSTON,
GEORGE E. GOWEN,

Selectmen of
Greenland, N. H.

WEEKS LIBRARY REPORT

There have been 53 names added to the list of borrowers this year:

Adult	16
Juvenile	37

The circulation has been as follows:

Adult fiction	2,367
Adult non-fiction	403
Juvenile	497
Magazines	217
	<hr/>
	3,484

One hundred twenty-seven books have been added during the year. Of this number, 62 have been donated by various friends of the library. As a result of these gifts, we have not purchased quite so many new books as usual, a total of 65.

The Junior Woman's Club has generously presented a nine-volume set of the World Book Encyclopedia. These books have already proved very useful and will be especially helpful to students. We extend sincere thanks to the Junior Woman's Club for their gift.

The library has used the facilities of the State library several times to obtain specially requested books and information. The Bookmobile has also made regular calls and we are able to get a good variety of books through its visits.

We appreciate the thoughtfulness of those who have given books and magazines, as all these contributions add to the usefulness of the library in the community.

Respectfully submitted,

CATHERINE M. SYPHERS

Librarian

REPORT OF POLICE DEPARTMENT

Once more I am pleased to report that the record of the town is still good.

However the increased population has added to my duties and to the requests made of the Police Department.

There have been 127 calls made. The reason for these calls are to numerous and varied to list. They have included both humor and tragedy.

I have made 12 arrests this year: Driving while intoxicated, 2; Serious motor vehicle violations, 10; Requested driving license suspensions 1.

There were 11 auto accidents; none of which involved serious personal injury.

In December I purchased a pair of snow tread tires out of the Police appropriation.

There have been no court actions relative to juveniles.

I have attended all public gatherings when I was requested to and hope that in so doing it has contributed to the success of those affairs.

Respectfully submitted,

JOHN M. SARGENT,

Chief of Police

REPORT OF FIRE DEPARTMENT

Greenland, N. H.
February 6, 1959

The Greenland Volunteer Fire Department responded to a total of nineteen (19) calls during 1958.

Of these calls thirteen (13) were local and six (6) were mutual aid calls to surrounding towns and the crash fo the B47 at Pease Air Base. Greenland also received aid from the mutual aid system when the barns of John Brackett and Mr. Krock were destroyed by fire.

The balance of fires, through prompt reporting and quick response of the fire department, were quickly extinguished resulting in negligible loss to the community and the people involved.

We wish to thank the people of Greenland for the continued support of our various activities, also our Auxiliary for the continuing work in our behalf.

The members of the Volunteer Fire Department have also asked the selectmen to include in the years report, the financial statement of the Volunteer Fire Department for the year of 1958, and also the total funds raised by members of the department from the first meeting held Dec. 13, 1950 to Dec. 31, 1958.

Respectfully submitted,

WILLIAM B. BRACKETT,

Fire Chief

FOREST FIRE WARDEN REPORT

You Can Help Prevent Forest Fires

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning — brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you — personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty — Use your town dump.

Number of local fires	1
Number of acres burned	1½
Number of permits issued	105

MERTON A. WEBBER,
District Fire Chief
ROY H. CHISHOLM,
Forest Fire Warden

TOWN OF GREENLAND

CIVIL DEFENSE OPERATIONAL PLAN

I. MISSION AND SITUATION

A. Mission

1. To provide maximum protection to the people of Greenland in time of enemy action.
2. To evacuate the people of Greenland prior to attack or natural disaster.
3. To provide for continuity of government under emergency conditions.

B. Situation

1. Hostile powers are known to possess nuclear weapons and to have the capability of launching a full scale assault upon the United States, its possessions and overseas bases.
2. The potential weapon of the megaton size (yield) class puts at risk 17 cities and towns of the Portsmouth Target Complex with a total resident population of 65,357 people. These people must be evacuated and cared for.
 - a. Of this total, 1,008 persons will be evacuated from Greenland and are assigned to the Town of Barnstead, designated as their reception community.

II. ORGANIZATION AND CONTROL

A. Organization

1. Greenland is one of the 17 towns of Civil Defense Area VII to be evacuated. These towns are known collectively, as the "Portsmouth Target Complex".
 - a. See Appendix 3 for further details.
2. All Civil Defense operations of the community are under the direction of the Civil Defense Director.

- a. He is appointed by the municipal government in accordance with paragraph 9 (2) of the Civil Defense Act of 1949, New Hampshire.
- b. His staff, selected by him, will be shown as an Appendix to this plan.

B. Control

1. During a declared Civil Defense emergency, the Civil Defense Director acts as the appointed representative of his local civil government; he does **not** supplant or replace this government, but rather is placed in tactical control of emergency operations.
2. Continuity of Command of the position of Civil Defense Director is as follows: C. D. Director, Deputy Director, Assistant Director.
 - a. Under circumstances in which all three persons are lost, the municipal government shall appoint a new Civil Defense Director, or assume the responsibility of this office themselves.
 - b. Continuity of the other staff positions is indicated in the Manning Table, which will be attached when completed.
3. The correct channel of command is as follows: State, Area VII, Greenland.
 - a. C. D. Staff personnel coordinate their activities directly with the staff of the Area Control Center. Only when communications are lost with Area, should local personnel contact other communities directly. Only by this method will the Area staff be able to maintain operational control of the towns within its boundaries.
 - (1) As soon as communications are re-established, action taken in the interim shall be reported to the Area Control Center.
4. The Greenland C. D. Control Center is located at the Fire Station.
5. Civil Defense personnel evacuated from Greenland

will report to their Barnstead's Control Center to be integrated into the existing C. D. Forces, and subject to the direction of that C. D. Director.

6. All evacuated persons, whether active in Civil Defense roles or not will be subject to local ordinances and control of the civil government of their assigned reception community.
7. The civil government personnel of Greenland will be assigned offices in Barnstead. From this position, they will continue in their responsibilities to their evacuated municipality.
 - a. They will assist the governing body of Barnstead wherever possible in the control and supervision of their displaced residents.

III. EXECUTION AND GENERAL INSTRUCTIONS

A. Normal Readiness

Note: This period of Normal Readiness can best be described as a flexible period extending from the present to the receipt of first attack/air warning signal. It is during this period that preparatory actions and pre-emergency training will be accomplished to insure the success of the mission.

1. The Civil Defense Director will:
 - a. Keep his town municipal government informed of the general conditions of preparedness of all services and make recommendations for improvement.
 - b. keep the residents of his town informed of their civil defense plans and responsibilities.
 - c. coordinate and assist his service officers in the training of their personnel.
 - d. test, check and revise his plans to keep them current and workable.
 - e. maintain his staff's assignments to assure a full complement of personnel for emergency action.

- f. coordinate his plans for training and testing with Area staff personnel and the State Civil Defense Agency.
- 2. The Civil Defense Staff will take those common actions listed below and the specific actions which may be detailed in the Service Annex applicable.
 - a. Prepare the standard operating procedures for their particular Service.
 - b. Supervise the training of their service personnel.
 - c. Maintain equipment and personnel at peak efficiency.
 - d. Keep the Civil Defense Director informed of conditions of their Service.
 - e. Assist the Civil Defense Director in any way possible to improve the total efficiency of the local Civil Defense organization.
 - f. Act for the Civil Defense Director, coordinate the training and organizing of their services with the Area and State level service staff.
- 3. The public will:
 - a. take an active and sincere interest in the Civil Defense plans of their community.
 - b. familiarize themselves with their local Civil Defense plans.
 - c. participate actively in Civil Defense exercises.
 - d. volunteer their services to the Civil Defense Director.

B. Strategic Warning

- 1. Upon decision to declare a Strategic Warning condition publicly, action will be taken by the Attack Warning Service to disseminate the information by all means of communications available.
 - a. Actions taken by the Civil Defense staffs and the general public will be the same as those detailed under paragraph C, "Tactical Warning"; the basic difference being that more time is

available to implement the emergency plans.
(See Tactical Warning below).

C. Tactical Warning

1. Upon receipt of the Alert/Warning YELLOW (evacuation signal), the following actions will be taken:
 - a. The Civil Defense Director will:
 - (1) alert his civil defense staff who will activate their service organizations.
 - (2) insure receipt of the warning signal by the residents of his community.
 - (3) supervise his staff in evacuating the people of his community.
 - (4) establish communications with the Area Civil Defense Coordinator.
 - b. The Civil Defense Staff will:
 - (1) activate their service organization and go to pre-assigned positions.
 - (2) report to the C. D. Director the conditions of their organization (number of staff, status of equipment, etc.)
 - (3) carry out the operations of their service in accordance with Service Annex and local standard operating procedures.
 - c. The public will:
 - (1) monitor radios 640 KC and 1240 KC (CON-ELRAD) for further civil defense instructions.
 - (2) take other actions in preparing to evacuate as pre-instructed by their C. D. Director.
 - (3) evacuate under the direction of C. D. personnel.
 - d. The public will **not**:
 - (1) use telephone unnecessarily.
 - (2) attempt to purchase foodstuff or other supplies.

- (3) attempt to move against established traffic flow.
- 2. Upon receipt of the Take Cover/Warning RED, **following** the Alert/Warning YELLOW phase (evacuation movement underway), the following actions will be taken:
 - a. The C. D. Director and his staff will:
 - (1) Insure receipt of the warning signal by residents of the community.
 - (2) Expedite movement of evacuation traffic **actually in motion**.
 - (3) Stop all other evacuation activities and direct and assist the public to places of refuge.
 - (4) Take Cover themselves.
 - (a) **Exception** — at least one person must remain on duty at the location of the attack warning telephone, to receive subsequent information or change of warning conditions.
 - b. The public will:
 - (1) **if** entransit in the evacuation traffic leaving the city, they will continue to evacuate.
 - (2) all other persons will take cover immediately.
 - (3) children at schools not yet evacuated will be directed to cover by their teachers.
 - (4) monitor radios on 640 KC and 1240 KC (CONELRAD) for further Civil Defense instructions.

NOTE: If signs of a nuclear blast are evident (the flash of light or the mushroom cloud), **all** persons should take cover **immediately** in the nearest ditch, behind a wall, on the floor of cars, homes or offices — and protect eyes. Following blast seek protection from fallout in nearest shelter.

D. No Warning

NOTE: Under conditions of "No Warning", the first alarm may well be in the form of an actual strike. The "Take Cover/Warning RED" signal will be given as quickly as possible to warn the people, presuming the possibility of subsequent attack.

1. Under these conditions the Civil Defense Director and his staff will:
 - a. Activate the public warning system.
 - b. Direct and assist the public to places of shelter.
 - c. Take Cover themselves.

(1) Exception — at least one person must remain on duty at the location of the attack warning telephone, to receive subsequent information or change of warning conditions.

2. The public will:
 - a. Take Cover immediately in the best shelter available, (cellars or basements of the nearest building).
 - (1) children at schools will be directed to cover by their teachers.
 - b. Monitor radios on 640 KC or 1240 KC (CONELRAD) for further Civil Defense instructions.

Note 1: If signs of a nuclear blast are evident (the flash of light or the mushroom cloud), all persons should take cover **immediately** in the nearest ditch, behind a wall, or the floor of their cars, homes or offices — and protect eyes. Following blast seek protection from fallout in nearest buildings.

Note 2: There will be no evacuation under these conditions unless specific orders are received from the State Civil Defense Office.

E. Post Attack

1. The State Civil Defense Director will determine when conditions warrant issuance of an "All Clear/Warning WHITE" signal.
 - a. Establishment of a safe degree of radiological contamination by the RADEF Services will be paramount to this decision.
 - b. This "All Clear" condition may be given by areas only, rather than for the entire state.
2. Upon receipt of the "All Clear/Warning WHITE" signal and establishment of a safe degree of contamination by the RADEF Services, the following actions will be taken.
 - a. Civil Defense personnel will proceed to their Control Center or other assigned positions immediately if there has been insufficient warning time prior to the attack.
 - b. Each Service Officer (e.g. Communications Officer, Transportation Officer, etc.) will determine the results the attack may have had in death or serious injury to the members of his staff. Every effort will be made by the remaining member(s) of these staffs to appoint qualified personnel to fill the vacant positions.
 - (1) Since it will not be known whether or not the Service Officers themselves will still be active this can be accomplished best by the individual members of the Service reporting directly to the Control Center using any means of communications available.

Note: If there has been no time for evacuation prior to this all clear signal, such actions will not be taken automatically under these conditions, but further instructions will be awaited from the State Civil Defense Office.

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Greenland qualified to vote in District affairs:

You are hereby notified to meet at the Greenland Central School in said District on Saturday the seventh day of March, 1959, at one thirty o'clock P.M. to act on the following articles:

The polls will be open for the election of District Officers at one thirty o'clock P.M. and may not be closed prior to seven o'clock P.M. Action on the remaining articles will start at eight o'clock P.M.

Article 1. To elect the following District Officers:

1. District Moderator.
2. District Clerk.
3. One member of the School Board for the ensuing three years.
4. District Treasurer.
5. District Auditor.

Article 2. To determine and fix the salaries of the School Board, and Truant Officer and to fix the compensation of any other officers or agents of the School District.

Article 3. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.

Article 4. To see if the District will vote to participate with such other School Districts in Supervisory Union No. 16 as may also so vote in the formation of a special

class for mentally retarded children and to raise and appropriate the sum of \$430.00 for this purpose for the school year 1959-1960.

Article 5. To see if the District will vote to authorize the employment of a helping teacher for the Exeter Supervisory Union No. 16, as provided in RSA 186:11, XXII and XXIV, as amended by the Laws of 1957, Chapter 252:2, starting with the school year 1959-1960.

Article 6. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Given under our hands at said Greenland this 16th day of February 1959.

WILLIAM H. ECKHART,
FRANK L. HERTEL,
LENA F. KOHLHASE,

Tot. Receipts During Yr. \$85,046.97

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Greenland:

The school year 1958-1959 opened with the following staff:

Mr. Eugene Haight, Principal and teacher of Grade 8; Mrs. Gwendolene Sanderson, Grade 7; Mrs. Arlene Dahl, Grade 6; Mrs. Barbara Knight, Grade 5; Mrs. Elinor Milbury, Grade 4; Mrs. Lillian Hodges, Grade 3; Mrs. Mary Varrell, Grade 2; Mrs. Margaret Blake-ney, Grade 1; Mrs. Eleanor Henry, Music Teacher; Miss Mary Shea, School Nurse; Miss Gemma Jean, Assistant Nurse; Mr. Harold Matava, Handwriting teacher.

Mrs. Barbara Knight was elected to teach Grade 5 to replace Mrs. Marion Kenison, who retired after nine years of faithful service in the Greenland School.

Miss Gemma Jean of Epping was elected as assistant nurse to work with Miss Shea in Supervisory Union No. 16.

This staff is experienced and competent and is working diligently for the best interests of the boys and girls of Greenland.

The work of the sixth, seventh, and eighth grades has been departmentalized this year with Mrs. Dahl, Mrs. Sanderson, and Mr. Haight teaching the areas in these three grades in which they are best qualified to teach.

In order to make it possible for a qualified Greenland student to participate in the program in Portsmouth for the superior pupil at the ninth grade level, the above teachers have been attending meetings in

Portsmouth to acquaint themselves with the program. Also, the yearly achievement tests for the upper grades have been given in January instead of May so that possible students for such a program may be selected earlier.

Last March, East Kingston, Exeter, Kensington and Newfields voted in favor of a Helping Teacher or Assistant to the Superintendent of the school year 1959-60. Greenland and Stratham will vote again on the item this year. If either district votes in favor, a Helping Teacher will be provided for the Union.

The law states that it is necessary to have districts representing 85% of the students in the Union vote favorably on this to put it into effect. The vote of the four districts which have already approved represents 82% of the pupils.

This year there are twelve supervisory unions which have Helping Teachers as listed: Goffstown, Milford, Plaistow, Lebanon, Tilton, Hudson, Derry, Marlboro, Peterborough, Newport, Hampton and Whitefield. In at least half of these unions, the number of teachers and the number of pupils is less than in this Union. In addition to the Helping Teachers there are five Assistant Superintendents as allowed by law and two assistants to the superintendent.

The state pays \$2,500 of the salary of this person and the remainder is pro-rated according to the supervisory union percentages.

The Helping Teacher would assist the superintendent in many ways, but his primary function would be that of an elementary supervisor who would work closely with all of the elementary teachers in the Union in coordinating the elementary program and acting as a consultant to the entire staff and community in the

recognition of the educational needs. I believe that the addition of a Helping Teacher would do much to strengthen the educational program in our union.

The need for a class for children with limited ability has become increasingly acute. Last year the Rockingham Association for Retarded Children requested the Exeter School Board to provide such a class. In the fall of 1958, the Exeter Board voted to establish a Class for Retarded Children at the elementary level for 1959-1960 preferably on a Supervisory Union basis in order to give the smaller districts a chance to participate. It adopted the following eligibility rules for the pupils in the class:

1. At least two years of retardation as evidenced by results on achievement tests and teacher evaluation.

2. An intelligence quotient of between 75-50 as evidenced by individual mental ability tests.

3. A grade range from Grades 2-6.

4. Must be capable of benefitting educationally by this kind of instruction.

5. Parental approval will be required.

Each school district is being given an opportunity to vote on this question through a special article in the warrant. The size of such a class would be limited to fifteen pupils and on a Supervisory Union basis, each of the smaller districts would have at least one pupil and Exeter would have from eight to ten pupils. The estimated cost of the class is \$7,000 for the first year. The Directors of the Nelson Fund of Christ's Church, Exeter, have voted \$2,000 as a community service to help defray the expenses of the program which leaves a total of \$5,000 to be pro-rated in the Supervisory Union.

We are again grateful to the P.T.A. for its continued support of the educational needs of the school.

Mrs. Laura Allen and her assistant Mrs. Dorothy Booker continue to furnish an excellent Hot Lunch Program as is evidenced by the high percentage of student participation.

Mr. Everett Bennett works diligently to keep the building clean and in good order.

I call your attention to the reports and tables that follow.

I wish to express my appreciation to the citizens, to the members of the School Board and to the teachers for their excellent support and cooperation.

Respectfully submitted,

RAYMOND A. HOYT,

Superintendent,
Supervisory Union No. 16

January 16, 1959
Greenland, New Hampshire

REPORT OF SCHOOL PRINCIPAL

To the Superintendent of Schools:

Again it is my privilege to submit the annual report of the Principal of Central School.

For their class trip, the Class of '58 toured the White Mountains by automobile; Mrs. Ulric Bunker and Mr. Frank Ireland generously provided the transportation.

At graduation, the class presented to the school an amplifier to be used with the microphone and record player purchased from the teachers' fund.

I would like to take this opportunity to thank the Greenland P.T.A. for the playground equipment and basketball facilities donated to the school.

The boys have played two games and have others scheduled. The girls are practicing regularly and are planning games with nearby schools. The girls' team is being coached by Mrs. Richard Currier and Mrs. Paul McAdams. This fine gesture is greatly appreciated by the school.

The three upper grade teachers are attending a series of special meetings with the Portsmouth Guidance Department in an effort to coordinate the work of the two systems, and to give the Greenland children an opportunity to participate in the honor program at Portsmouth High School.

In closing, I would like to thank the Superintendent of Schools, Mr. Hoyt, the members of the school board, and the supervisory union staff for their cooperation and assistance.

Respectfully submitted,
EUGENE F. HAIGHT,
Principal

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

School health services comprise those procedures designed to determine the health status of the child, to enlist the child's interest in protecting and safeguarding his health, to help parents understand their children's health needs, and to take the necessary steps to provide suitable treatment for disease and the correction of physical defects.

The school nurse can, within the scope of her ability, make a general survey of a child's health needs. We have, in the past, done our best to discover such physical defects as hearing and vision loss, poor teeth and bad tonsils. But these consist of just parts of a child. School health should deal with the whole child and the best way to do this is through physical examination by a school doctor with the parent present if possible. The cost is very reasonable and the returns great. "Gold that buys health can never be ill spent."

Parents have been most cooperative in following up the suggestions of the school nurse in matters relating to the health of their children, such as obtaining glasses where needed, having tonsils removed, etc. But we feel we could do a much better job if we had the help of a school doctor on a part time basis. Parents would have a chance to talk over some of their problems with the doctor and a more complete appraisal of the child could be obtained from a stripped physical examination.

Since the advent of the second school nurse in September, 1958, more follow up work on the correction of defects can be done, more home visits can and have been made, more conferences with parents have taken place.

Health appraisal forms have gone out to each child's parents. We need this to better understand the child with a health problem, to make adjustments in his program if necessary, and to obtain remedial or corrective services where possible.

Last Spring there was a mass clinic for all the younger children in school to bring them up to date on their "preventive shots". Patch tests were done on children in the even grades. We hope to repeat this during the coming Spring. Parents should take advantage of this service.

The School Board, teachers and community as a whole have been very helpful to the nurses in carrying out their duties and we are very grateful for this help.

Respectfully submitted,

MARY G. SHEA, R. N.

GEMMA R. JEAN, R. N.

Greenland, New Hampshire
January 23, 1959

REPORT OF MUSIC SUPERVISOR

To the Superintendent of Schools:

Following is the report of the Music Supervisor for the year 1958:

We are fortunate to be living during a period when so much good music of all types is available to us. The music of today not only gives endless pleasure to millions, but also serves as a means of releasing tensions.

The music program in the school is set up with the purpose of giving to the pupils experiences with as many types of good music as possible. Thus, it is hoped that from these musical experiences the school children will learn to know and to love really good music, so that they may benefit from it throughout their lives.

The modern music books for the schools contain much more interesting material than did those of the past, for all music educators realize that obtaining and holding a pupil's interest is the first objective of the music teacher.

Record players are available in all of the schools, and if good records are played frequently, much can be done with music appreciation.

Ear-training, rhythmic activities, rhythm band, work with tonettes, singing-games, action songs, folk and square dances, learning the fundamentals of music, note reading and singing in unison and parts are all included in the music program.

With the balance of the proceeds from the "Mexican Fiesta", a microphone and record player were purchased for the auditorium.

The graduating class presented the amplifier to the school as their class gift.

The pupils of the seventh grade and the graduating class sang at the Baccalaureate Service at the Church and at the Graduation exercises at the school.

Three short Christmas programs were given at the December P.T.A. meeting by the pupils of Mrs. Blakeney, Mrs. Varrell and Mrs. Hodges.

In closing, I wish to thank Mr. Hoyt, the members of the Greenland School Board, the P.T.A., Mr. Haight, the teachers, and the parents for their cooperation.

Respectfully submitted,

ELEANOR HENRY
